Subject: Can you call Arlen Beery at 540-879-2054

Bart,

As we just discussed, it would be great if you could call Arlen Beery at 540-879-2054 to discuss issues that he might face with poultry barns on the properties that the Mennonites are potentially buying. He had followed up this morning with this concerns as well as concerns with the AFD.

It was good to hear your experience with the Troxel turkey farm, and I believe that your explanation will ease their concerns.

Additionally, I spoke with James about the possibility of a property owner withdrawing from an AFD during the middle of a cycle. He says that this is not an option. Only the BOS action can allow a withdrawal or removal of a parcel from an AFD mid-cycle.

Thanks

Michael
